ABRAHAM AND SARAH

Faith (Visualize)

All about the lesson

Read the text:

Genesis 15:5-6

Then the Lord took Abram outside and said to him, "Look up into the sky and count the stars if you can. That's how many descendants you will have!" And Abram believed the Lord, and the Lord counted him as righteous because of his faith.

Declaration:

**I believe every promise
from the word of God**

Memory verse:

Hebrews 11:6

"And it is impossible to please God without faith. Anyone who wants to come to him must believe that God exists and that he rewards those who sincerely seek him."

Lesson points:

1

God encourages us to

visualise: God told Abraham to step out of his tent so he could see the stars.

**A hero keeps their eyes on
their promise of God**

2

Visualising the promise

strengthens our faith: Abraham was lacking confidence in the promise, but when he was able to see the stars with his own eyes, his doubt disappeared and his faith grew. We grow in our ability to see the dream of God when we spend time in the word of God. The word of God is the seed from which God's promise can come to pass.

**A hero is stronger when
they see the promises of
God.**
