Lesson summary:

- Obey your parents
- Respect your parents
- Speak kind words to and about your mother
- God will love and care for you even if you do not have parents
- God blesses us when we honour our parents

Lesson points:

- God wants us to obey our parents. We obey our parents by doing what they ask us to do, without complaining. No sulking.
- We show honour when we speak well of our parents and we treat them in a respectful way. We do not yell or boss our mothers around.
- God wants us to speak good and kind words to our mothers. We must bless our mothers with our words and also say, "I love you".
- If you do not have a mommy around, you do not have to worry. God is everything that you need in a parent. You never have to feel alone, because God is with you, to love and care for you in a special way.
- When we honour our parents there is a blessing that awaits us. We will live good lives that bring glory to Jesus so that others may also know Him through our lives.
