

# VJ DEVOTION: 12 JULY-18 JULY

Hey There Friend,

We are so excited to do devotion with you this week. Prepare a cool place and settle a time where you can talk to God and go through His word everyday. Fill in the missing words in the scriptures using the New Living Translation Bible. Write down your own declaration for the day in your note book and speak it out loud. We believe in you and we know you are going to change the world!

Love, 3CK Team
