# All about the lesson

## Objective of lesson:

- Teach the children that they are born for a special purpose, to be the light in this generation.
- Teach the children that light overcomes darkness.

## Read the scriptures:

Exodus 1 & 2

## Declaration:

I am a light in  
my generation

## Memory verse:

1 John 1:5b  
God is light

## Lesson points:

- Moses was born because God had a great plan for him. In the same way, each one of us is here on earth because God has a great plan for us, even though we may live in difficult times.

**God has a great mission for every little big hero.**

- Moses was born when the children of Israel were slaves in Egypt. His birth became a light of hope for a whole nation. Every child that believes in Jesus is a light in their world.

**We are thankful to God and people for all they do for us.**

- Light always prevails. Pharaoh made bad plans to kill all the first born boys of the Israelites. God miraculously protected Moses and he was able to grow up peacefully. God is light and light always wins. **Light is more powerful than darkness**
