# VJ Challenge

# 2 December – 8 December 2024

**1. Read and write out the scripture for the day from your Bible (Available on the back)**

**2. Repeat this declaration everyday:** I choose to live God's way, not the world's way, and to follow His standards in everything I do because He is holy, and He calls me to be holy too. Jesus came to take away sin, so I won't let sin control me—I am alive in Him now. I trust God's plan more than my own because His purpose is always right. Because I love Jesus, I will obey His commands and let Him change the way I think so I can live a life that honours Him.

**3. Write down five things that you will be doing this holiday season to hold up God's standard in your life:**
